

Wichita Information Service

The Wichita Information Service is our local service center for Districts 19 and 20 in Wichita. It is made up of representatives from groups within these districts. The Wichita Information Service functions to oversee most of the public outreach activities of the districts. In addition, it serves as the governing body of our Wichita Literature Distribution Center. Here is a small sample of some of the responsibilities and activities of our Wichita Information Service:

- Produces, updates, and distributes our meeting directories.
- Maintains our Al-Anon Information Line by setting it up, paying the bill monthly, gathering and training volunteers to respond to the calls.
- Maintains an ad for Al-Anon in the yellow pages and makes sure our listing in the white pages is correct.
- Provides speakers to treatment centers in the area.
- Distributes a quarterly mailing to over 100 professionals in the Wichita area, providing them with a current directory and information about Al-Anon.
- Organizes and mans booths at health fairs, nurses conferences, etc. to provide information about Al-Anon
- Oversees the Literature Distribution Center so all members and groups can purchase literature locally.

The Wichita Information Service meets every other month before the district meeting, at 12:00 pm noon on Saturdays, at Wichita Valley Hope, 901 W. Douglas, east door. Every group should send a representative but anyone and everyone is welcome. This meeting is a business meeting to discuss the business and activities of the Wichita Information Service. The meetings for the year **2011** are as follows:

January 29
April 2

June 4
August 6

October 1
December 3
